

AVOIDABLE BLINDNESS ELIMINATION PROJECT 2022

PROJECT REPORT

- I write on behalf of Kog Kriationz Network and on my own behalf, I thank Eye Foundation of America for your partnership to create awareness, screen and provide eye care support all for free to help reduce avoidable blindness impact in Ghana.
- In 2022's project, our focus was on the hard to reach areas in Upper West and Greater Regions. We visited some selected districts such as Nandom, Jirapa, Lawra, Gwollu, Nadoli, Wechiau, DBI, Adakraba Amanfrom and Tema.
- **The entire team performed 553 surgeries and administered 3000 eye drops and glasses to beneficiaries.**
- Our total expenditure for this year's project is **USD55,500.**
- **We much grateful to Eye Foundation of America, Bank's Apothecary, Oheneba Ghana Rice, Friends Eye Centre, Kog Eye Care and Team Kog Kriationz Network. God Bless us all.**
- Sincerely,
- **E.O.G**
